### **After completing your on-line course:**

- Print out your completion certificate.
- Go to the UHEMS Institute website and find an upcoming class.
- Register with Betsy and you will be instructed on what date and time to attend.
- Courses purchased through the UHEMS Institute include your skills testing and completion card.
- Courses purchased elsewhere are subject to additional costs.

or

- Test out one on one with one of our instructors, after completing the on-line class. Cost is 240.00.

## Basic Life Support (BLS) for Healthcare Providers (HCP) Online Part 1

Busy healthcare professionals who need a flexible training option can choose this course for first-time or renewal certification. Students first complete online lessons and then meet with an AHA instructor for skills practice and testing.

## HeartCode™ ACLS Part 1

Through interactive cases and using eSimulation technology to “virtually treat” patients, healthcare providers learn to assess, formulate treatment and provide advanced care for adult cardiopulmonary arrest patients. The

complete course requires completion of advanced hands-on skills practicing and testing.

# HeartCode™ PALS Part 1

Through interactive cases and using eSimulation technology to “virtually treat” patients, healthcare providers learn to assess, formulate treatment and provide advanced care for pediatric cardiopulmonary arrest patients. The complete course requires completion of advanced hands-on skills practicing and testing.

Thank You for joining us in an AHA Class. Your instructors are dedicated to making this class an enjoyable and educational experience for all. We encourage you to participate in discussions and to ask questions freely.
